

Information

The Kids Market is an outdoor market hosted in conjunction with the Artisans & Farmers Market where kids ages 7-17 will have their own area to create, sell and learn in a fun and friendly environment.

Dates

The Kids Market will take place the second Saturday of the month from June-August (June 9, July 14, August 11).

Time/Location

The market will be from 10:00AM-1:00PM at Veteran's Memorial Park at Crosson Mill located directly off of SR 13 across from Town Hall.

Eligibility/Products

All kids ages 7-17 are eligible to participate. All items must be original, handmade or grown by the child selling them. If you are unsure if a particular item is permissible, please ask the Market Director.

Fee

There is no fee for the Kids Market.

Registration

All interested participants must submit a completed application. Kids will be selected by a rotation of first time vendors to make sure that as many children get to participate as possible. Parents and children will be notified by Tuesday at 5:00PM the week of the market they are interested in if they were selected to participate. Children of Artisans & Farmers Market vendors will not be given priority and will put into the same rotation.

Booth Space

Each child will be given an approximately 10'x10' booth space. Tables and chairs are not provided.

Set-Up/Break Down

Participants may arrive at 9:00AM to begin setting up their booths. The Market Director will guide all participants to their booth spaces upon arrival. Participants must have their booth spaces torn down by no later than 2:00PM.

Parking

After setting up, parents or guardians must move their vehicles out of the park to the designated spaces at Town Hall, Fire Department, or any of the several nearby off-street options.

Chaperones

Each child must have at least one adult with them at all times. The adult will be responsible for overseeing the set-up and break down of the child's booth.

Parents are not allowed to make items for their children to sell or sell their own items in their child's booth. If a parent is interested in selling their items, they can apply to be a vendor at the adjacent Artisans & Farmers Market. The Kids Market is designed to be a learning experience for the kids.
