

Santa Letters

Would you like to receive a letter from Santa? We're here to help!

The Syracuse Parks Department has made special arrangements with the North Pole so your child can receive a personalized letter from Santa! Letters written to Santa can be dropped off to a special mailbox in the Syracuse Community Center lobby during the facility's open hours starting November 13. We will also designate an area for letter writing at Breakfast with Santa on December 2. **All letters must be received by December 2** as Santa will take them to the North Pole after he has breakfast with the kids. Santa's letters will be delivered to children the week of December 11.

Mailbox Location:
Syracuse Community Center
